## HOTELS

We are counting on you to be on your best behavior in order to maintain the working relationship with our motels. Our hard-earned reputation, as well as our ability to continue hosting trials is certainly on the line and dependent on YOUR cooperation. We follow up on any complaints from motel owners or guests, so please report any issues to us. Double-check on rates & charges. Call to confirm your reservation a few days before arriving. Be sure your dog is free of fleas BEFORE arriving. Please be honest about how many people & dogs will be staying in the room. Of course, as is standard agility procedure, all handlers/owners will pick up after their dogs. Please bag and dispose of dog waste properly.

Please cover the motel's bedding with a sheet or blanket from home, whether or not you think your dog will get on the bed.

Don't EVER leave dogs unattended. Take them with you when you go out for dinner. Even the best of dogs can get carried away in a motel room without you present.

Please check with Hotel to make sure dogs are accepted and for current rates.

## MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. This change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card or Form may still compete; but they must be measured or wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### NEW Simplified Jump Height Card Process

There is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. For more information please visit [http://www.akc.org/events/agility/jump\\_height\\_card.cfm](http://www.akc.org/events/agility/jump_height_card.cfm)
