No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. COURSE WALK-THROUGHS INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. A warm-up area, consisting of one regulation agility jump for each ring, may be provided for exhibitors. Warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

RINGSIDE

Dogs may arrive any time prior to judging if dog has valid temporary or permanent jump height card. Otherwise, dogs must be available for measuring prior to start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused. Judges are not required to wait for dogs. Owner/handler of each dog is solely responsible for having it ready at ringside when it is to be judged. **GSSSC** has no responsibility for providing service through public address system or stewards or runners for purpose of calling or locating dogs that are not brought into ring when required. The club agrees to arbitrate claims as set forth on Official AKC Entry Form.

NOTICE TO EXHIBITORS - SAFETY, BEHAVIOR & LIABILITY

The safety of dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of event committee, be asked to leave show site. In such case, no refund of any fees paid will be made **GSSSC, Feel The Rush Agility Trial Secretary Services** and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. **GSSSC** reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the **GSSSC** or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

MEASURING and HEIGHT CARD INFORMATION.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. For more information please visit http://www.akc.org/events/agility/jump_height_card.cfm

Any entries withdrawn that are received by **Wednesday February 21th, 2024 at 6pm** that are replaced by a wait list entry will receive a full refund for the withdrawn entry. Any wait listed entry that does not move off wait list into the trial by **Monday February 26th at 6pm** will receive a full refund. (Trial Secretary will destroy entry and check).

MOVE UPS

All move-up entries are subject to availability of the class and payment of any difference in entry fee. It is the option of the club to allow move-ups. Dogs moved-up will be entered at the end of the running order. Refer to Chapter 1, Section 20 of the Regulations for Agility Trials for additional move-up requirements. Move ups prior to trial date, must be received in writing (email acceptable) by **Monday February 26, at 6pm EST. Trial secretary will acknowledge receipt of all move-ups & corrections to entries.**

For Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

FIX AND GO ON

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

AGILITY TRIAL MOVE-UP FORM
