MEASURING and HEIGHT CARD INFORMATION.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. For more information, please visit http://www.akc.org/events/agility/jump_height_card.cfm

NOTICE TO EXHIBITORS - SAFETY, BEHAVIOR & LIABILITY

Safety of dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that exhibitors alone are responsible for behavior of their dogs and/or children. Any exhibitor whose

dogs and/or children create unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of event committee, be asked to leave show site. In such case, no refund of any fees paid will be made. **SKC**, Feel The Rush Agility Trial Secretary Services and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. **SKC** reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the ACNH or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

FOR EXHIBITION ONLY (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is offered ALL AKC classes. Participation in FEO is non-qualifying. FEO runs are treated as trial entries. The exhibitor must enter the class(es) (STD, JWW, Prem Std, Prem JWW, T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

FIX AND GO ON

FNG allows exhibitors to immediately reattempt an obstacle at any time while, on course the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

MOVE UP

Dogs shall be moved up to a higher class at the request of owner as a result of dog qualifying for an agility title. The request for a day-to-day move-up must be made to the Trial Secretary not later than 30 minutes past the last run the day preceding the event. All move-up entries are subject to availability of the class and payment of any difference in entry fee. It is the option of the club to allow move-ups. Dogs moved-up will be entered at the end of the running order. Refer to Chapter 1, Section 20 of the Regulations for Agility Trials for additional move-up requirements. Move ups prior to trial date, must be received in writing (email acceptable) by **Monday January 6, 2024. The trial secretary will acknowledge receipt of all move-ups & corrections to entries.**
