DOGS ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing /Indefinite Listing Privileges (PAL/ILP), or AKC Canine Partners listing number, approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word “dog” is used it includes both sexes. Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from trial grounds.

COURSE WALK-THROUGHS INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. A warm-up area, consisting of one regulation agility jump for each ring, may be provided for exhibitors. Warm-up areas are to be used exclusively for warming up the dog and not for training or relieving the dog.

RINGSIDE

Dogs may arrive any time prior to judging if dog has a valid temporary or permanent jump height card. Otherwise, dogs must be available for measuring prior to start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused. Judges are not required to wait for dogs. Owner/handler of each dog is solely responsible for having it ready at ringside when it is to be judged. **GSCA** has no responsibility for providing service through public address system or stewards or runners for purpose of calling or locating dogs that are not brought into ring when required. The club agrees to arbitrate claims as set forth on Official AKC Entry Form.

MEASURING and HEIGHT CARD INFORMATION.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. For more information, please visit http://www.akc.org/events/agility/jump_height_card.cfm

NOTICE TO EXHIBITORS - SAFETY, BEHAVIOR & LIABILITY

Safety of dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of event committee, be asked to leave show site. In such case, no refund of any fees paid will be made. **GSCA & Feel The Rush Agility Trial Secretary Services** and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. **GSCA** reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the **GSCA** or any official thereof. **All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.**

GSCA - RIBBONS, AWARDS AND PRIZES

Rosettes will be awarded in each jump height division in each class as follows:

First Place	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place.....	White
Qualifying Score.....	Dark Green Ribbon

All dogs earning a MACH, PACH or PAX will receive a commemorative rosette/bar. ALL PRIZES, AWARDS, ROSETTES AND RIBBONS MUST BE CLAIMED DAY OF TRIAL. NO PRIZES WILL BE MAILED If both a PACH & PAX are earned, only one ribbon/bar will be presented for all three days of the trial.

ADDITIONAL SITE INFORMATION

There will be indoor crating.

GSCA and Premier Sports Center will not be responsible for any lost or damaged items left at the show site.

NO Food vendor at this trial.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without the benefit of a refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show site.

WAIT LIST INFORMATION

GSCA is offering a wait list to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of 25 entries will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior **Wednesday September 17, 2025, at 6pm est.** Any entries withdrawn that are received by **Wednesday September 17, 2025, at 6pm est** that are replaced by a wait list entry will receive a full refund for the withdrawn entry. Any wait listed entry that does not move off wait list into the trial by **Monday September 22, 2025 at 6pm est** will receive a full refund. (Trial Secretary will destroy entry and check).

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

For Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is

committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.

- Food/treats are not allowed in the ring

- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

- A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

**** ALL DOGS ELIGIBLE TO ENTER PREMIER ****

Effective June 1, 2018 - Dogs eligible to enter Novice, Open, Excellent or Master level classes may enter Premier Class

Please consult the *AKC Regulations for Agility Trials* for a complete description & eligibility for entry into these classes. Dogs running in lower or higher height divisions than eligible will be eliminated. **AKC Regulations for Agility Trials** - All exhibitors should obtain a copy by contacting American Kennel Club, 8051 Arco Corporate drive – Suite 100, Raleigh, NC 27617-3390, by phone 919-233-9767, by email info@akc.org, or on their website at www.akc.org

Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
