MEASURING: **Steve Tocktrop is not a VMO.** Each dog must have an official Jump Height Card or a yellow Temporary Measuring Form prior to running any of the agility courses. Each dog 15 months to 2 years must have 1 Temporary Measuring form. If you do not have a permanent or temporary card your dog **MUST** be measured by the Judge or VMO prior to running. The measurement done before your first run will be effective throughout the weekend. It is the owners' responsibility to ensure their dog is measured prior to running and to run at the appropriate jump height.

MOVE-UPS: Move ups prior to a set of trials. Dogs shall be moved up to higher classes as the request of the owner, because of qualifying for a lower-level agility trial provided that the request is made, in writing, to the Trial Secretary no later than 6pm on **Monday March 23th at 6pm.** Move-ups can be emailed to bebedoyon@gmail.com. Dogs qualifying for a higher class by earning a title on Saturday may be moved up the following day provided the request is received, in writing, before the end of the first day trial. All correspondence will be acknowledged with a receipt of all move-ups and corrections to entries.
